## WARONKER BROTHERS,

Lutesville, Missouri.

The last of the yacht races was run last Thursday and the American boat, Reliance, won, finishing the course alone. Sir Thomas Lipton has certainly shown admirable courage, but his boat can't sail with those made this side of the Atlantic.

MELBOURNE SMITH, son of Hon. M. R. Smith, Farmington, who has been connected with the Farmington Times and Herald for some time, has purchased a half interest in the Republican at Cape Girardeau, and has taken charge as editor and will conduct it as an independent paper.

The recent meeting of the Missouri Press Association in St. Louis is said to have been a very interesting one and well attended, but it seems that this part of the state was not so well represented numerically. We would have enjoyed meeting with the brethren, but had so much work on hands that we could not get away.

### St. Francis Baptist Association at Shetley's Creek.

SEPTEMBER 2, 4, AND 5.

The Association held at Shetley's Creek was well attended, all churches in the association being well represented, and the meetings were more than ordinarily interesting. Prof. and Mrs. F. J. Hendershot and little daughter, Rev. W. A. Davis, Miss Elizabeth Cameron, Mrs. J. Fulkerson and little daughter, Mr. and Mrs. J. A. McGlothlin and Henry Cheek represented this part of the work.

Mayfield-Smith Academy came in for quite a share of attention and interest. In connection with the educational report, a collection was taken, amounting to \$70, to defray current expenses. The constitution which had been previously prepared, was read and adopted and the institution will be chartered under the laws of Missouri at once, and henceforth will be known as Will Mayfield College, in memory of Dr. W. J. Mayfield's only son, who died about a year ago. It is hardly necessary to add that the administration of the board and faculty was heartily endorsed by the association.

Dr. Mayfield was present and as usual took much interest in all the business connected with this institution for which he has labored so long and diligently and to which he has contributed liberally, at all times, of his means and which will be liberally endowed by his estate.
